OUR CAUSE

We focus our work in three key areas, because nurturing the potential of kids, helping people live healthier, and supporting our neighbors are fundamental to a better community for everyone

VEX Robotics

The VEX Robotics Team is a program for middle school students who are interested in doing mechanical, programming, and business work. Build your engineering and business skills while having real-world job type experience by building and competing on the robotics team. The team will design and create a robot to compete in competition every year, fundraise, and create media to promote the team.

VEX SCHEDULE

Our VEX Robotics team is part of a league this year. This gives us a set schedule for our competitions for the season. The competitions are as follows:

October 14th, November 4th, December 2nd, and January 20th. After those competitions there will be League Finals on February 2nd, there will be a bracketed tournament and a league champion will be crowned. We may join some tournaments with dates that are different from above. The tournaments dates and times are TBD.

Location of Competitions

These competitions will be at Rancho Middle School: 17607 Rancho Road. Hesperia, California 92345.

PROGRAM COSTS

Member/ Youth Members: \$150

Program Participant/ Non-Member: \$225

Costs include transportation to and from competitions.

NO REFUNDS WILL BE ISSUED, ONLY Y-CREDIT

IN CASE OF EMERGENCY

If you need to get in touch with your child for a family emergency, call the Y's main line (818) 790-0123 for our call center and let them know you have an emergency and that your child is on the VEX team. They will put you in touch with the appropriate staff.
